25X1X

1. Mimon (051/ F 95) Training Area.

- a. On 6 November 1952 there was little activity at the Mimon airfield. About 50 aircraft were parked in front of permanent buildings on the southern side of the airfield...
b. The civilian population of Bezdez (051/ F 93) will be evacuated and the town included in the Mimon training area.
c. Considerable military construction activity was observed on 5 November 1952 in the area about one kilometer east of Svitava (051/ F 85) along the road to Zakupy (051/ F 85).
d. The following military vehicles were observed in the Mimon training area:

25X1A

truck, 3 ton
airforce personnel
truck, 3 ton
airforce
5 ton, 3-axles

2. Varnsdorf (051/ F 87).

At the beginning of November 1952 about 400 to 500 draftees arrived at Varnsdorf. They are billeted in a former hospital. It is rumored that the draftees belong to the Border Guards (PS) and that they will receive basic military training through the winter months in the town.

CLASSIFICATION SECRET
